parent-child relationship programs at the Barnard Center

NCAST Parent-Child Interaction Scales Instructor Mentoring Program

This program is designed for those wishing to become NCAST PCI Instructors. This is a six-month learning commitment with a promise to use the scales in practice between learning sessions. Participation in all sessions is required. NCAST PCI Instructors are prepared to teach both scales in virtual *small group* classes by Denise Findlay, our Director of Education and Parent-Child Interaction Scales expert.

Schedule for 2021: (Times are all Pacific Time Zone)

Learn the NCAST **Feeding** Scale and how to use in practice
April 19-22, 8:30 AM – 12:30 PM and April 23, 8:30 – 1:30 PM
Commitment from you to use the scale with clients and family
